## Stair Lifts

by Harmar, Handicare & Bruno

- Innovative engineering & design
- Straight or Curved rails
- Slimmer sleeker design
- Enjoy your home on every level

## Incline Platform Lifts

by Harmar & Savaria

- Folding platform allows easy access to stairs when not used
- Battery powered allowing it to operate through a power failure
- Access multiple levels, curves or intermediate landings

"Everyone was so helpful and knowledgeable. If they didn't have an answer they researched and got back to us. I am so glad we called Adaptive Specialties. They really care about their clients."

- L. N.

# Home Accessibility

## Home Elevators

by Savaria, Inclinator & Stiltz

- Convenience, accessibility & independence
- Gearless traction technology provides a whisper quiet ride that glides smoothly from start to finish
- Eclipse model does not require a separate machine room & takes less space in the home
- Quick & Easy installation

## Fixed & Portable Ceiling Lifts

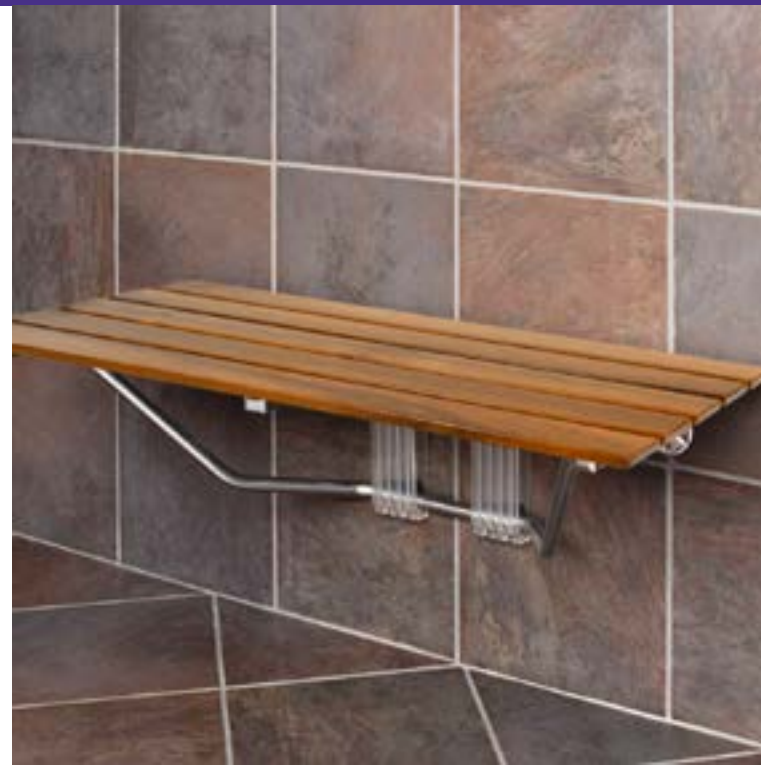

by Savaria, Liko, Prism, Surehands & Human Care

- Lift & transfer with as little effort & as much safety as possible
- Perfect for maneuvering between rooms, around furniture & other obstacles
- Ideal for long term use with more access throughout the home
