Innovative features make life easier for patients, guests and caregivers.

- **Padded: Personal Pack Wipes hand hygiene dispenser**
  - Helps control infection and sub-patient safety with convenient touchless hand sanitizing.

- **Mirror/storage module**
  - Cleans easily and is made of break-resistant acrylic. Also, it includes atop the table for easy access to storage.

- **Fixed caregiver module**
  - Remains stationary while table is raised and lowered. Features two bins and laptop storage.

- **Tuning fork base**
  - Fits easily under beds, even with power transport.

- **Braille on all touch points**
  - Convenient descriptions for patients, guests or caregivers.

- **Steel column**
  - Raises and lowers table quietly with minimal effort.

- **Dual food service tray**
  - Provides 30 percent more surface area, so patients don’t need to move belongings at meals.

- **Cup holders**
  - Reduces spillage and cleans easily.

- **Fixed caregiver surface option**
  - Remains stationary while table is raised and lowered. Features two bins and laptop storage.

- **Large surface area**
  - Allows patients to create a home away from home, with easy access to belongings.

- **Brake on all touch points**
  - Convenient descriptions for patients, guests or caregivers.

**Hill-Rom. Art of Care. Overbed Table OBT636**
