Bath & Shower Solutions As Unique As You

bath & shower

Wave Shower Chair System

by Rifton
Weight Capacity 160 lbs

Client
Favorite

- Provides a stable, cushioned & quick-drying seat for bathing
- The seat & back angle adjust easily, even when occupied
- Shower Stand turns the bath chair into a mobile shower chair
- Tub Stand for easy transfers

Clean Height Adjustable Shower Chair

by Etac
Weight Capacity 330 lbs

- Perfect fit over most toilets
- Large range of foot & calf support
- Base is height adjustable up to 23"
- Comes standard with four lockable casters

A good bath chair provides a safe and comfortable place for bathing. No more slipping in the tub. Bath & tub chairs are perfect for both children & adults and may come with a shower trolley that adds the flexibility to use the chair in both the tub & shower.

"I was looking for a bath chair for my granddaughter & had questions about sizing & options. I spoke to a rep & she was very friendly, helpful & knowledgeable. She wasn't sure about a question I had and said she would get back to me. Almost immediately I had the answer. I must say, I did not expect the speed & good information I received. I am looking forward to receiving the perfect bath chair. Thank you for your tremendous help."
